SHEBOYGAN AREA  
SCHOOL DISTRICT

REFERENDUM

*Dr. Ebert, did you see how Sheboygan is handling their referendum proposal?*

## OVERVIEW

The Sheboygan Area School District Board of Education approved a resolution to place a referendum question on the November 5 ballot. The District **will ask the community to invest \$121 million to rebuild and remodel Urban and Farnsworth Middle Schools on their existing sites.**

## YOUR FEEDBACK MATTERS

Based on the results of our survey and feedback from community meetings, the Urban Middle School solution will remain at the current site. The location at Mill and Najacht Roads is no longer being considered.

## THE NEED

Urban and Farnsworth Middle Schools are approaching 100 years old and have similar, significant challenges:

*Your "Community Focus Group" told us our middle school is "too old" to continue with, but SASD is investing \$121M in their older schools!*

*Your "Community Focus Group" told us \$14M was wasting money to fix an existing school, but SASD is investing \$60M each on two "older" schools!*

*The SASD listened to survey respondents and abandoned the too expensive idea of building a brand new school. They listened to the people's choice to repair the existing schools.*

*Why did our KASD school board members listen to the Focus Group of only 28 people, but vote unanimously 7-0 to disregard the wishes of hundreds of KASD survey respondents?*

**Is there any evidence the KASD school board members are competent to handle millions of tax payer dollars?  
Aren't they the ones that got us into this mess?**
