

Dr. Ebert's Cherry Picked Questions Report (He won't dare answer what people really care about)

(Editor's note: Dr. Brad Ebert, administrator of the Kiel Area School District, will be answering questions regarding the Middle School referendum between now and the November vote in this series of articles.)

These are cherry picked questions with fluffy BS answers. Dr. Ebert refuses to release over 100 open records requests about the referendum asked by a diverse group of citizens months ago. He will never tell us what we really want to know.

WHY WASN'T MAINTENANCE TAKING PLACE 20 TO 25 YEARS AGO?
Maintenance has been done every year, but the budgets only allow for smaller items to be addressed. Money is budgeted every year to take care of safety issues and other maintenance issues and projects that fit within the budget. All of the district maintenance issues are ranked yearly by priority and the money that has been allocated is spent based on what the School Board determines are the priority items for that year. The facility

Who's in charge of writing the budget? It's your failure Dr. Ebert. How stupid do you think we are?

THIS IS AN OUTRIGHT DECEPTION DR. EBERT!
We expect you someone on the School Board to tell us the TRUTH about this.

The school board only spends \$300k/yr on the NEGLECTED \$51,000,000 maintenance liability for all 3 school buildings
You make NO EFFERT to produce a REALISTIC BUDGET. THAT IS NEGLIGENCE OF DUTY!

You should be ashamed of yourself for perpetrating this LIE Dr. Ebert!

WILL THERE BE ENOUGH PARKING IF THE MIDDLE SCHOOL IS ADDED TO THE HIGH SCHOOL AND WHAT ABOUT PICK-UPS AND DROP-OFFS?
Yes, additional parking lots and separate pick-up and drop-off

Are you kidding me?
You pretend this is what people want to know about a \$67,000,000 boondoggle?
Answer our 100 open records requests from months ago NOW Dr. Ebert!

CAN YOU CREATE SMALL VIDEO CLIPS OF SOME OF THE AREAS OF MOST NEED AT THE CURRENT MIDDLE SCHOOL INSTEAD OF JUST HAVING ONE OF THE FULL TOURS ON THE WEBSITE?
Yes, we did recently create vid-

Will you be FAIR to all the people who told the District we don't want a new school DEBT Dr. Ebert?
Will you spend as much of our tax dollars being FAIR to us?
Will you create small video clips of Contractors revealing HOW EASY and INEXPENSIVE it would be to FIX ALL THE ISSUES that get FIXED EVERYDAY AROUND AMERICA?

WE HAVE HEARD SO OFTEN THAT THE CURRENT KIEL MIDDLE SCHOOL HAS MANY ACCESSIBILITY ISSUES THAT ARE CAUSING PROBLEMS FOR THOSE WITH DISABILITIES OR THOSE WITH INJURIES, ETC.? WHAT ARE SOME OF THE ISSUES?

WHAT "we have heard" KASD TELL US IS AN OUTRIGHT LIE THAT BORDERS ON CRIMINAL DR. EBERT!

The Architect's Report says the Middle school is in the best shape of all 3 schools regarding ACCESSIBILITY ISSUES!!!
The evidence is reproduced at EXPOSED LIE #4 at www.tccwi.org
We expect you or someone with a shred of integrity on the School Board to STEP UP and tell us the TRUTH about this.
You should be ashamed of yourself for perpetrating this LIE Dr. Ebert!

CHAIRLIFT
In the case of an emergency or fire, or in the case of the elevator malfunctioning, students in wheelchairs that are on the top floor of the Middle School will not be able to easily and safely make it out of the building; this is something that we have seen happen from time to time. This means that those with disabilities and mobility issues need to wait for safety personnel to arrive to be assisted out of the building.

What happens in 100 story skyscrapers Dr. Ebert Ph.D? You tell a FEAR MONGERING LIE DR. BRAD EBERT!

EXACTLY ZERO children die in school fires in America ZERO! Your's is SHAMELESS FEARMONGERING DR. EBERT Ph.D

The elevator is just fine according to the Architect's Report just refer to LIE EXPOSED #5 at www.tccwi.org

WHY IS IT ALWAYS THE FIRST OPTION TO TEAR IT DOWN AND BUILD BIGGER AND BETTER?

This wasn't the first option. Many options were considered, but due to the inability to remodel the existing building to make it feasible for today's instructional model and to make it completely ADA compliant, that option was not the best for all students and was not at all supported by the focus group of community members that spent a lot of time reviewing all of the options.

LIES LIES LIES DR. EBERT!
The Middle school CAN BE REMODELED VERY COST EFFECTIVELY according to the Architect's Report. See LIE EXPOSED #2 at www.tccwi.org

Kiel can't afford fancy classrooms like KOHLER, and our kids would learn fine if academics were the focus.

The Middle school is the best ADA school of all 3!

The evidence is reproduced as EXPOSED LIE #4 at www.tccwi.org
ADA compliance is as myth anyway, we all love Adam but he won't be able to use grab bars in a new school either. Don't give us false hope.

You should be ashamed of yourself for perpetrating ALL THESE LIES Dr. Ebert!

LIES LIES LIES DR. EBERT!

Spending a lot of time watching expensive PowerPoint presentations DOESN'T QUALITY ANYONE TO RECOMMEND ANYTHING!

DON'T DENY HUNDREDS OUR RIGHT TO VOTE because a dozen people say so.
